

Carmelo Marrelli
carm@marrellisupport.ca

The Marrelli Group is a trusted partner for public and private companies navigating Canadian capital markets. Our comprehensive suite of services includes financial accounting, reporting, and fractional CFO support; outsourced corporate secretarial solutions and regulatory filing compliance; and full-service transfer agent, escrow, and corporate trustee offerings. Completing this suite, CyberPole delivers managed IT and cybersecurity services that keep your systems secure, stable, and fully supported. We are committed to delivering fast, efficient, and reliable support to help your business thrive.
